**Volunteer Experience**

Was President da ESN Lisboa (August 2011 – April 2012).

ESN (Erasmus Student Network <http://www.esn.org/>) it's an international volunteer organization without any lucrative ends. Has the objective of integration and accompaniment of international students counting with the support of the European Union.

During these two years he has held many positions that gave him a lot of human and technical capacities:

- **President of the Association ESN Lisboa** – In this position he was responsible for coordinating the association financially and functionally. This position asked a little of everything from him: institutional contacts, human resources work, study and implementation of functioning rules, centralized management, and many other areas.
- **Head of IT** - In this department he was head of technical and information department and was responsible for the management of the sites of the institution: (<http://www.esn-lisboa.org/>, <http://housing.esn-lisboa.org/>) that was based on the technology Drupal.
- **Head of Partnerships** - Has a leader of this department he was responsible for the partnerships of the institution and for the team that created the database of partners responsible for the creation of a detailed wiki page (<http://partnerships-esnlisboa.wikispaces.com/>). Coordinated as well the search for new and better partners.
- **National Coordinator of the Project PRIME** - PRIME (Problems of Recognition In Making Erasmus <http://prime.esn.org/>) was a qualitative and quantitative search about the procedures applied to the Erasmus students involving many universities. As national coordinator it was necessary from him to coordinate a team spread throw out the country during the project in order to retrieve the data necessary from student and universities, as well to make interviews to the national entity that regulates the project Erasmus showing it the problems recognized by the project.

**Other skills and competences**

Course of volleyball coach level I (2008)

First Certificate in English (FCE) (2007)

**Driving licence(s)**

A1, B, B1

**Additional information**

Did Erasmus in Las Palmas de Gran Canaria – Spain during the ambit of the bachelor of computer science engineer.
